A HEART THAT BEATS FOR YOU

15.16 KMPL*

The new Tata Movus is powered by a robust, 16 valve, 4 cylinder, 2.2 L VARICOR engine that's all set to put you in top gear on any road. This fuel efficient engine with DOHC technology can rev up to 120PS at 4000rpm, along with 250 Nm of maximum torque at 1500-3000 rpm. This reliable engine comes with a warranty of 3years/1,50,000 km, which ever is earlier.

PROGRESS WITH THE WORLD

The new Tata Movus introduces the modern CSC + SAC clutch. It improves the life of the clutch and helps maintain constant clutch effort for the entire lifetime of the clutch.

A WORRY FREE DRIVE

With its cost-efficient, optimum change-frequency fuel filter element, a performance-enhanced fuel filtration system, a long lasting timing belt system & a new turbocharger, you get an excellent fuel efficiency of 15.16 Kmpl*, which along with the best-in-class fuel tank capacity of 65L ensures a worry free drive. The vehicle comes with an excellent warranty of 3 years/1,00,000 km which ever is earlier.

Life they say is one unending journey. But we never know what's in store for us – a smooth ride straight to the goal or a topsy-turvy road that leads us to troubled waters. Hence, for these unpredictable journeys, you need a true friend whom you can always bank on. Meet the new Tata Movus, your true companion on the road. With a robust 2.2 L VARICOR engine and a host of immaculate features, it is always ready to take on any road you wish to conquer.
